# Material Safety Data Sheet (91/155/EWG) 1040-25-02

Revision Date: 31.3.2004
Page 1 of 3

	1040-25-02				
1.	1. Chemical product and company indentification				
	Product name:				
	PermaCem, PermaCem Dual				
	Supplier:				
DMG, Dental-Material Gesellschaft mbH					
	D 22531 Hamburg, telephone : (+49) 040 - 84 00 60				
2.	2. Composition / Information on ingredients				
	Common chemical name / Generic name:				
Preparation of acrylic resin, glass powder and silica.					
	Contains aliphatic dimethacrylate, aromatic dimethacrylate, carboxylic methacrylate.				
3.	3. Hazards Identification				
None, if handled according to directions.					
Harmful by inhalation, in contact with skin and if swallowed.					
	Irritating to eyes, respiratory system and skin. Risk of serious damage to eyes.				
	maning to cycs, respiratory system and skill. Risk of schous damage to eyes.				
4.	First-aid measures				
	In case of inhalation: In case of prolonged exposure take patient to open air.				
	In case of skin contact: Wash with soap and water.				
	In case of eye contact: wash with soap and water. In case of eye contact: Immediately rinse with plenty of water, consult a physician.				
	In case of ingestion: Immediately seek medical advice.				
5	Fire-fighting measures				
5.					
	Extinguishing media: Powder, sand, foam, carbon dioxide, water spray.				
	<b>Not suitable extinguishing media:</b> Direct jet of water.				
	Not suitable extinguishing media: Direct jet of water.				
6.	Accidental release measures				
	Personal proputions: Use only in well contileted areas				
	Personal precautions: Use only in well-ventilated areas.				
	Environmental precautions: Do not empty into drains.				
	Methods for cleaning up: Take up mechanically, with inert fluid-binding material.				
-					
7.	Handling and storage				
	Handling				
	Handling:				
	<b>Technical measures:</b> Keep container tightly closed.				
	Safe handling advice: Wear suitable gloves and goggles. Avoid contact with eyes.				
	Storage:				
Technical measures: Keep container in a well-ventilated place.					
	Storage conditions: Keep container tightly closed. Keep in a dark, cool place.				
	Recommended packaging material: Container of solvent-stable plastics.				

## Material Safety Data Sheet Trade name: PermaCem, PermaCem Dual

### **Material Safety Data Sheet**

Trade name: PermaCem, PermaCem Dual 1040-25-02

#### 14. Transport information

Additional information: Not dangerous cargo.

#### 15. Regulatory information

Labelling according international regulations: Xn, harmful. Contains methacrylic ester.

Symbols of danger: St Andrew's cross.

**R-Phrases:** 20/21/22 - 36/37/38 - 41

Harmful by inhalation, in contact with skin and if swallowed.

Irritating to eyes, respiratory system and skin.

Risk of serious damage to eyes.

**S-Phrases:** 24/25 - 26 - 28 - 37/39

Avoid contact with skin and eyes.

In case of contact with eyes rinse immediately with plenty of water and seek medical advice.

After contact with skin wash immediately with plenty of water and soap.

Wear suitable gloves and eye/face protection.

**Waste:** EWC-Key 070208 (Waste from MFSU of plastics, synthetic rubber and man made fibres; other still bottoms and reaction residues).

#### 16. Other information

None.

The data given here is based on current knowledge and experience. The data does not signify any warranty with regard to the product's properties.
